

The Rotaract Club of CEG is completely run by the student volunteers of College of Engineering, Guindy, Anna University. Its activities instill in the mind of its members a sense of goodwill. Apart from nurturing leadership and teamwork, RCEG also helps create a strong bond of friendship among its volunteers which further helps in making it a cohesive unit striving to achieve excellence in all its endeavors. The club organizes programs to induce awareness and ensures the well being of the society. Ultimately RCEG is trying to emphasize “Respect the value of each individual “.

The various events organized by Rotaract Club of CEG includes:

VIZHITHIRU

It is a program to develop the government and corporation higher secondary school students by providing them career guidance and tips to help them score high in their higher secondary examinations with the help of expert educationalists.

CONCLAVE

It is a talk show for the youth and corporate officials by renowned speakers from various fields.

SANGARSH

It is an annual fund raising musical concert which is successfully transforming lives for more than a decade by undertaking various projects helping the needy section of the society every year.

ICE

It is an event conducted every month within our college in order to develop the interaction and friendliness among the students.
