## STUDENT ASSOCIATION AND ARTS SOCIETY(SAAS)

### DESCRIPTION

Established in the year 1948, SAAS is a student run body with a rich heritage. All the students of the college, by default, become the members of SAAS. SAAS is responsible for ensuring the welfare of the student community by addressing their grievances and framing suggestions for the betterment of the academic environment. SAAS primarily aims to find the dormant talents amongst students and assist them to harness their resources well to become top notch individuals by organising various cultural activities. Apart from this, SAAS also conducts social awareness events to instigate the feeling of moral responsibility in the future policy makers of the nation.

### ACTIVITIES

SAAS is known for organising multifarious activities for ensuring the all round development of the students. Some of the primary activities are listed below0

- Techofes, the inter college cultural fest is the biggest such event in South India witnessing a humongous turnout of around 30,000 students from 300+ colleges to participate in the various events and to witness prolific pro-shows.
- Agni, the intra college cultural fest to identify the radiant talents and nurture them to compete on a global scale
- Fresher's day to welcome the first year students who had just set their feet in the campus aspiring to reach immense heights
- Rallies for Social awareness like Walkathon for elucidating the importance of education for a girl child and campaign for promoting Nuclear energy as a viable alternate energy source to instill the fact, "Education is incomplete without social responsibility" deep within the hearts of the budding engineers.
