SIRUTHULIGAL CHARITY CLUB OF CEG

Vision of the Club:

“There is no wealth like knowledge, no poverty like ignorance.” In a world where knowledge is the greatest implement one can be given and where education is the predominant way one gains knowledge - Education is not merely a process of learning; it is rather an experience every child should be endowed with.

Currently there are many students here at the College of Engineering, Guindy, whose financial situation might prevent them from gaining education or attending to their basic medical needs which would hinder their education. Siruthuligal Charity Club of CEG was thus initiated by seven students of this college –with the approval of the Honourable Vice Chancellor Dr. Mannar Jawahar and under the guidance of the Dean Dr. M. Sekar – with the aim of helping the hapless students of the college stand on their legs by providing them the necessary financial assistance for educational and medical needs.

Objectives of Siruthuligal Charity of Club of CEG

- ❖ To provide financial aids for students to satisfy their medical and academic needs. (This also includes providing helping-aids for physically challenged people.)
- ❖ To provide the students a window to express their magnanimity and thereby contribute to a good cause.
- ❖ In the long term, to encourage other institutions to start such a club, aiming 0% dropout at college level, Thus encouraging all other institutions to have a club solely ***"For the students, Of the students, By the students"***
