

DESCRIPTION:

Twisters is the official dance crew of Anna University. It was found in the year 1995 by Mr. Solomon Karmegam who belongs to the mechanical engineering department. Since then, with persistent hard work and spirit it has made many achievements. It has been a motivational factor for many young talented students. With Efficient training of professionals and excellent training by the eniors, the team has proved to be one among the best crews in south India. And above all we are one BIG family of brothers and sisters.

ACTIVITIES :

We practice everyday for the betterment of our team . We strictly practice only western style dances .We always enroll ourselves in every inter- college culturals . We have won many intercollege competitions like Choreo nite - IITM saarang , The Hindu Nxg - Campus Jive etc., and also TV shows like thillana thillana , EQ etc., We also travel to other state colleges to compete in their culturals . We always have a thirst for competition . And lastly we always live upto to the saying " DANCERS ARE GOD'S ATHLETES"
