Blood Donation Camp : DROPS OF HOPE – 'spread your red'

Nobody can do everything, but everybody can do something. The 'everybody' of Anna University, did the 'something' of donating blood at the Blood Donation Camp organized by Anna university along with Alumni Association of CEG and Rotary Club of Madras on 21st July 2016 at Alumni Centre from 09:00 to 16:00 hours for the Children hospital, Egmore.

The Camp started with enormous response from students of CEG. Though many were eager to donate blood and save lives, their health conditions did not support to it. The weight, height, hemoglobin, RBC, WBC and every other aspect to become a healthy donor was checked by the Government Blood Bank team with extreme accuracy by which many willing donors got eliminated too.

People who believed that **you need not be a doctor to save life**, gave their precious presence and participation in the blood camp for which they were Provided a certificate along with refreshments and also signature on a billboard hung by the our Unit Team. Nearly 175 fit students and faculties of our college

(with more than 400+ registrations) donated one unit of blood to the Children hospital.

The successful camp was followed by speech of Aluminies of Alumini Association CEG. As a reward for the hard work, Prasanna Kumar, one of the best office bearers of the NSS Unit IV and Nithisha of NSS Unit XII was awarded the Best NSS Volunteer by the Alumni Association of CEG. PLACE: Red Building

All the volunteers were asked to assemble in front of the Red Building in order to celebrate our **Republic Day**. At 8 AM our Tricoloured Indian National Flag was hoisted by the Chief Guest. After the NCC Parade was over, we had a meet. The senior volunteers instructed the junior volunteers to collect as much as fund as possible for the orphanage visit and also asked them to prepare for the activities to be done in the orphanage. Finally, the meet was concluded and attendance was taken.

PLACE:ANNAI FATHIMA ORPHANAGE,KARAPAKKAM

This was the most important day, for which every one of us were waiting for. Though our unit visited various orphanages every year, this was the first edition of our visit named '**MAATRAM**' –**A Change for a Cause**. All the volunteers assembled at the car parking around 12 PM and we were taken to the orphanage by college bus. The children were very happy to see us, when our volunteers reached the orphanage.

At first, the volunteers played small games with them and then they conducted sports events like lemon in the spoon, throw ball, etc. Then the children were made to be seated in a hall, where our volunteers performed the various fun events like singing, dancing and skit. The joy in the face of the children who watched those fun activities cannot be explained in words.

Then, the senior volunteers provided the things which were bought for the orphanage. At the end, a group photo was taken. Then, the volunteers returned to the college by bus. Finally, attendance was taken and the volunteers dispersed with lots of satisfaction and joy in their hearts.

PLACE: ORGANIC FARM.

On this day, everyone visited the organic farm and did some farming work. It was a nice experience for everyone. The cultivable plants in the organic farming were attractive to see. It was a pleasure for us to clean the whole organic farm and water the saplings. The juniors were guided by the seniors in the farm work. The workers in the organic farming requested us to visit the organic farming frequently. Finally, attendance was taken and everyone got dispersed.

**LIBRARY BOOKS DONATION**

The volunteers gathered in front of Alumni centre by about 8.00 AM. Senior volunteers of NSS Unit 12 gave some general and valuable instructions to the junior volunteers regarding their safety and about the services to be done in the camp. The volunteers started by about 11:00 AM and reached the camp site Kadapakkam by about 1:00 PM. Books donation function for the library which was inaugurated a year back by NSS UNIT 12 was organised in KVS School and it began with all the hype. The function happened with few special people-to mention, the programme officer of NSS UNIT 12, the Chairman and HM of KVS School. All the three special guests gave speeches about their views on NSS and they shared their opinions. The function concluded with their speeches. The books that were made ready for library arrangement were officially given to the school management. On that day the volunteers presented more than 1000 books to the library which was started by Unit 12 on the KVS School. The library books were donated successfully and the day ended really well.

DAY 2

SCIENCE EXHIBITION AND TREE PLANTATION

A mobile exhibition truck came from Birla Planetarium and organized a small expo of sorts to give a scientific insight to the students of Govt. Boys school about the basic scientific principles. It consisted of about twelve simple science experiments about some concepts about working of electric currents and circuits, theorems like Pythagorean Theorem, principles about vibrations. It contained some important experiments like alpha, beta and gamma rays intensity and the amount of electricity that is capable of passing through the human body and then Left and Right brain conflict. And Step up transformer and step down transformer and important principles in that experiment. There were many experiments that were very useful for school children.

The exhibits which were kept for their sight were also relevant to their syllabus which would be very helpful for them to perform well in their academics. Every student got a clear idea over the experiments. The volunteers were assisted to explain the experiments to the students. Seniors guided the volunteers throughout the activity. A mini planetarium was also arranged, and an astrophysicist from the planetarium explained stuffs about the solar system and also about planets using planet models to the students of that school. After completion of exhibition we planted some tree near the school surrounding.

DAY 3

SPORTS DAY CELEBRATION AND CAREER GUIDANCE PROGRAMME

The volunteers conducted sports day to the students of KVS school. A sports person Ms. Sangeetha, who won gold medal in silambam at national level showed us some of her stunts in silambam which was really amazing to watch. Then programme officer Dr. Muruganandham sir gave valuable speech regarding sports and women's achievement. Later students actively participated in all sports conducted by volunteers. Later the volunteers conducted career guidance for high school students of KVS school. The volunteers asked their aim and encouraged them and showed a way to reach their goal. The volunteers made them aware of the current educational situation, need of the society and the area where there are a lot of scope to shine. They gave some tips to tenth graders on how to prepare for upcoming exams and also future career options. The volunteers gave them advice to not just develop themselves academically but also to develop co-curricular and extracurricular skills. The volunteers gave information about different kinds of courses to study after their schooling and interacted with them. The volunteers spent some quality time with the students. Later the volunteers went to mental disabled people's home to spend good time with them. Everyone in that home shared about their life stories which were so emotional. Then we distributed some sweets which we have prepared to them. They enjoyed a lot being with us.

DAY 4

MEDICAL CAMP AND HEALTH AWARENESS RALLY

The day began by celebrating international yoga day. The volunteers practiced yoga postures which was taught to them by an instructor. The instructor explained about the benefits of Yoga to the volunteers. Later a medical camp has been conducted in KVS school. Student's who are studying M.B.B.S in MMC college helped us in conducting medical camp. Everyone including

staff and working people in KVS took a health check up. Later a rally was organised by volunteers to create awareness on health among the villagers. The rally goes on with unconditional dedication of volunteers who stressed the importance of health awareness by insisting the slogans about it. They also carried cards in which phrases and quotes about health awareness and slogans against smoking and drinking written in it. The volunteers raised slogans and catchy sentences against lethargy and health issues. There were also slogans regarding benefits of doing yoga. The volunteers came up with slogans that were easily reachable to the audience and funny in order to attract the notice of the general public. The volunteers have brought some changes in the minds of people.

DAY 5

SURVEY AND STREET PLAY

The volunteers conducted survey over some locality in that village. The volunteers went on a survey in Kadapakkam to know their difficulties and necessities so that they could help them in some way to get rid of their difficulties. The survey was about the basic facilities they had and the facilities they lacked and needed. All the volunteers were provided sheets which consisted of questions which mainly concentrated about the basic facilities which are available to the villagers and it also covered about the sanitary facilities. The survey also included some important details like Government schemes and the government plans undertaken in that particular locality. People responded with kindness and helped the volunteers to complete the survey. By the end of survey the volunteers got to know all the problems faced by the village people. The volunteers analysed the problems in their area and reported it to the panchayat. The volunteers were able to come up with few solutions and they explained them to the officials so that it will be easy for the Panchayat to do their duties as well. After the survey the volunteers created awareness of some social issues by means of street play. So many people came to see the street play especially kids they patiently watched it. And by means of this street we have conveyed about some social issues in an interesting way which was easily understood to even kids.

DAY 1

- Visit to the Paddy field
- Tree plantation

Everyone got up at 6am in the morning and we had our Yoga session as a part of inculcating discipline. After yoga we got ready. After breakfast we went to the paddy field. Our team head Dr.Muruganandham briefed us about how they cultivate and harvest Paddy with the help of a farmer.

The farmer shared few things with us. He told how they get irrigation facility for the field and how they were affected badly by the 2004 Tsunami and the recent floods. Then he briefed us about the government facilities availed by them. He also told us about the harmness of plastic rice. Then we helped the farmers in cultivating Paddy. From this session, we understood the importance of farming.

In the afternoon, after our lunch we planned to plant saplings. We once again separated into teams and went to the respective houses we surveyed. We got their consent and planted saplings in and around their houses. We also got the assurance that they will take care of the saplings with utmost care.

Achievements:

- Learnt about farming and its importance.
- Gave new saplings to the environment.

In the afternoon, the Honorable Dean of CEG, Mrs. T.V. Geetha and the Head of the NSS cell visited our camping site .They overviewed the works done by us, shared their inspired awes in our minds with their motivational words.\

In the afternoon, after lunch the girls in the unit went to the women self-help group office. They had a small on spot talk with the self-help group members. The members briefed them about the concessions given by the government, helps rendered by the government for marriage expenses and education of their children.

Achievements:

- Cleaned the nearby pond.
- Learnt about the working of the women self-help groups.

DATE: 19.06.2017

PLACE: Monday.

Objectives:

- To motivate students of Govt. Middle school in the village.
- To conduct sports and games in the school and distribute prizes.

In the morning, we reached the Government Middle school in the Kadalur village. Except the team 6 which was allotted for cooking other teams were there. We separated into 2 groups each with members from all the 6 teams.

The first group students prepared charts about the easy mathematical methods to solve the problems, explained them about the SWOT analysis, gave some memory tips, asked some puzzles and awarded prizes for those who answered

In the afternoon, the second group conducted sports and games for the children. They conducted sports like bottle filling, balloon bursting, lemon and spoon, dodge ball for the primary school students and kabbadi, kho-kho for the middle schoolers. The prizes were awarded to the winners by our PO Dr.Muruganandham sir and the Government school Head Master.
