RETROFITTING OF ENERGY EFFICIENT APPLIANCES LIKE LIGHTS, FANS AND PUMP SETS AT COLLEGE OF ENGINEERING, ANNA UNIVERSITY, CHENNAI

A proposal has been submitted seeking fund for Retrofitting Existing Lights, Fans and Pumps in CEG, Anna University. In this proposal, the following replacements were suggested.

1. Single Tube Light Box Type Light Fitting by suitable LEDs
2. Twin Tube Light Box Type Light Fitting by suitable LEDs
3. CFL & Spot Lights by suitable LEDs
4. Halogen Lamps by suitable LEDs
5. AC Fans by BLDC Fans
6. Conventional Pumps by Energy Efficient Pumps

This Retrofitting is likely to be implemented as a first phase in the following Buildings of CEG, Anna University and highlighted in the adjoining Map of CEG Campus, Anna University.

1. Central Library
2. Knowledge Park
3. Dept. of Civil
4. Dept. of Mechanical
5. Administrative Building
6. FERE Building
7. Main Building
8. Dept. of EEE
