

**DIVISION OF STRUCTURAL ENGINEERING**  
 Department of Civil Engineering  
**WORKLOAD FOR THE SEMESTER – JULY-DECEMBER 2016**

Sl. No.	Name and Designation	Expertise	Course Code	Course Title	BE/ME	Branch	Sem.	Theory	Lab
1.	Dr.P.Devadas Manoharan Professor	Structural Engineering	CN 7101 CN 7002	Construction Equipment Construction Personnel Management	ME ME	Construction Engineering and Management Construction Engineering and Management	I III	2	--
2.	Dr. K. Nagamani Professor	Structural Engineering	ST 7102	Dynamics of structures	ME	Structural Engineering	I	1	--
3.	Dr. R. Senthil Professor	Structural Engineering	ST 7003	Design of Shell and Spatial Structures	ME	Structural Engineering	III	1	--
4.	Dr. K.P. Jaya Professor	Structural Engineering	ST 7101 CE 8704	Advanced Concrete Structures Structural Dynamics and Earthquake Engineering	ME BE	Structural Engineering Civil Engineering	I VII	2	--
5.	Dr. C. Umarani Professor	Structural Engineering	ST 7001 ST 7002	Analysis and Design of Tall Buildings Design of Bridges	ME ME	Structural Engineering Structural Engineering	III III	2	--
6.	Dr. K. Chinnaraju Associate Professor	Structural Engineering	CE 7302 CE	Strength of Materials I Structural Analysis I	BE BE	Civil Engineering (Tamil) Civil Engineering (Tamil)	III V	2	--
7.	Dr. K.C. Pazhani Associate Professor	Structural Engineering	CN 7102 CE 7251	Modern Construction Materials Strength of Materials	ME BE	Construction Engineering and Management Agriculture and Irrigation Engineering	I III	2	--
8.	Dr. H. Jane Helena Associate Professor	Structural Engineering	ST 7103 CE	Theory of Elasticity and Plasticity Strength of Materials I	ME BE	Structural Engineering Civil Engineering	I III	2	
9.	Dr.R.Vidjeapriya Associate Professor	Structural Engineering	ST 7012 CE	Pre-fabricated Structures Strength of Materials	ME BE	Structural Engineering Industrial Engineering	I III	2	--
10	Dr. V. Ponmalar Associate Professor	Structural Engineering	CN 7010 CE	Resource Management and Control in Construction Construction Materials	ME BE	Construction Engineering and Management Civil Engineering	III III	2	--
11	Dr.G.Beulah Gnana Ananthi Associate Professor	Structural Engineering	CE 8504 CE	Structural Analysis I Strength of Materials	BE BE	Civil Engineering Manufacturing Engineering	V III	2	--

Sl. No	Name and Designation	Expertise	Course Code	Course Title	BE/ME	Branch	Sem.	Theory	Lab.
12	Dr.P.Thamilselvi Associate Professor	Structural Engineering	CN 7001 CE 8701	Advanced Concrete Technology Estimation, Costing and Valuation Engineering	ME BE	Structural Engineering and Construction Engineering and Management (common) Civil Engineering	I VII	2	--
13.	Dr. S. Greeshma Asst. Professor (Sr.)	Structural Engineering	CN 7009 CE CE CE	Quantitative Techniques in Management Strength of Materials Strength of Materials Laboratory Strength of Materials Laboratory	ME BE BE BE	Construction Engineering and Management Printing Technology Industrial Engineering Manufacturing Engineering	III III III III	2	2
14.	Dr.S.Rahima Shabeen Asst. Professor	Structural Engineering	CE 8501 CE 8704 CE 7311 CE 7311	Design of Reinforced Cement Concrete and Masonry Structures Structural Dynamics and Earthquake Engineering Construction Materials Laboratory Construction Materials Laboratory	BE BE BE BE	Civil Engineering Civil Engineering (Tamil) Civil Engineering Civil Engineering (Tamil)	V VII III III	2	2
15.	Mrs.S.M.Renuka Assistant Professor	Construction Engineering and Management	CN 7103 CE 7301 CE CE	Project Formulation and Appraisal Construction Materials Strength of Materials Laboratory Strength of Materials Laboratory	ME BE BE BE	Construction Engineering and Management Civil Engineering (Tamil) Civil Engineering Civil Engineering (Tamil)	I III III III	2	2
16.	Mr.R.Thyagarajan Teaching Fellow	Structural Engineering	CE 8701 CE 8501 CE CE	Estimation, Costing and Valuation Engineering Design of reinforced cement concrete and masonry structures Strength of Materials Laboratory Strength of Materials Laboratory	BE BE BE BE	Civil Engineering (Tamil) Civil Engineering (Tamil) Printing Technology Mining Engineering	VII V III III	2	2
17.	Teaching Fellow 1	Structural Engineering	CE CE CE CE CE	Strength of Materials Strength of Materials Strength of Materials Laboratory Strength of Materials Laboratory Strength of Materials Laboratory	BE BE BE BE BE	Mechanical Engineering (CD) Mechanical Engineering (Tamil) Mechanical Engineering (AB) Mechanical Engineering (CD) Mechanical Engineering (Tamil)	III III III III III	2	3
18.	Teaching Fellow 2	Structural Engineering	CN 7011 CE CE	Shoring, Scaffolding and Formwork Strength of Materials Strength of Materials	ME BE BE	Construction Engineering and Management Mechanical Engineering (AB) Mining Engineering	I III III	3	--
